

## HELLO, HOLA, CIAO <3

Hi there, my name is Aldana Capellano, I am a visual designer and a creative developer from Buenos Aires, Argentina. I currently live and work in Italy since 2016.

The thing that makes me different is that nothing scares me that much, I always keep going and keep learning.

I also sometimes play guitar or drums, love arts in general, particularly music and literature, I am a goofy dancer (just the weekends) and I do not forget to have fun doing what i do.

Hola, me llamo Aldana Capellano, soy una visual designer y una programadora creativa de Buenos Aires, Argentina.

Actualmente vivo y trabajo en Italia desde el 2016.

La cosa que me hace distinta es que nada me asusta tanto y siempre encuentro un modo de seguir aprendiendo.

A veces toco la guitarra o la bateria y los fines de semana soy una muy mala bailarina. Trato de nunca olvidarme de divertirme haciendo lo que hago.
